Dear Sir/Madam

Reference for Alex Maclean

I have known Alex for over 20 years, originally meeting as business contacts but over that time becoming good friends. He is so personal, you just cant help it.

Alex has organised more things that I can mention from office parties to trips abroad, VIP tickets, Glastonbury, O2 events and many others. Examples are VIP access to all major concerts, the Olympics, Champions League matches, British Summertime Concerts, VIP paddock passes for all the major Grand Prix's, British Fashion Awards, as well as the Oscars, Super Bowl, El Classico football matches, cricket at Lords, Grammys, Victoria's Secret Fashion show, UEFA Euros and FIFAWorld Cups, His access is mind-blowing and he has the most amazing personal service on top to back everything up and ensure the smooth running of all of these events. Everything is always so seamless and it always goes without a hitch. And after 20 years that's a big statement.

Alex always puts the customer first and always delivers on every level. I am prone to stress about these sorts of things, but Alex always has time to allay my fears, is always available and delivers the very best service and experience whatever it is we are doing.

I would highly recommend Alex to anyone thinking of organising something special for clients or friends and family as he will be with you every step of the way and stop at nothing to ensure your needs are met and your trip, event, experience goes better than you could have hoped for. Its not just VVIP access for all the world's sporting and social events either, his travel expertise is incredible also, hotels, private planes, commercial air travel, villas and yachts are also an amazing service that he provides. I have some very senior global partners and clients that I work with and everyone is always very impressed with our trips and how Alex handles everything. Use him, he really is that good!

Yours sincerely,
