Testimonial for Cardinal Concierge/Alex Maclean

I cannot recommend Alex and the team at Cardinal Concierge enough. Every little detail is taken care of and nothing is too much trouble. I have been using Cardinal Concierge for several years now and quite frankly I wouldn't go anywhere else. Their events schedule is second to none and unrivalled. As a busy professional I don't have the time to source the internet looking for accommodation and flights, Alex does this all for me and I always know I'm in safe hands and can leave it all to him knowing I'll be in receipt of a fantastic experience.

During the time I have been a member, I have attended some of the best events of my life and been offered incredible service and quality of products from VIP access to the Rolling Stones concerts, Olympics, private boxes at various concerts, El Classico football matches, British Fashion Awards, Champions League matches, U2, Pearl Jam & Ed Sheeran concerts, British Summertime Concerts, cricket at Lords, quarters, semis and finals for both UEFA Euros and FIFA World Cups, paddock passes for the major Grand Prix's as well as the Oscars, Super Bowl, Grammys and Victoria's Secret Fashion show.

The service is extremely personal and Alex is always at the end of the phone or email if I have any concerns or require any information. His attention to detail is superb! His travel services are also exemplary from personal planes to business and first class services with access to the worlds leading airlines as well as the best hotels in the world. Mix that with his off market villa and yacht access, Alex/Cardinal Concierge is a one stop shop for all of my lifestyle needs, which are taken care of so well, never without question and he always goes way above and beyond with his deliverables.

I highly recommend Cardinal Concierge if you want a reliable, personal and top-quality experience at some of the most sort after events around the globe.

Kind regards
